Happy - Respect - Pride - Caring - Potential

Celebration Newsletter

Friday 14th January 2022

Dear parents/carers,

The children have returned to school from their Christmas break calm and ready to learn, and the first couple of weeks back have been very enjoyable for both pupils and staff.

Due to the OMICRON variant, which is more transmissible, please can we ask parents and carers to ensure that pupils are not being sent to school with any symptoms. If you feel that your child has symptoms, please ensure they are tested with a PCR. This is to ensure that our school community stay as safe as possible.

Thank you for your continued support.

Biologists At Work

Year 6 had a wonderful experience last week alongside our Hi Impact consultants. Rather than the usual computing lessons, year 6 became biologists for the morning. They spent the morning learning about the anatomy of the heart of a pig. Following this, the pupils then were each given a pig's heart to dissect, as well as being shown the pig's lungs. The pupils thoroughly enjoyed this hands-on session, and were able to show the adults the heart strings of the pig's heart and arteries too.

An Early Entrepreneur

Before Christmas, one of our year 5 pupils began making reindeer dust to sell to families for it to be sprinkled outdoors on Christmas Eve. The reindeer dust came perfectly packaged and was priced at £1. Once all of the stock had been bought, the Park Brow pupil decided how he was to spend his profit. Selfishly, instead of treating himself, he went along to the local supermarket with his parents and bought a selection of essentials that he then donated to the local food bank. What a wonderful selfless act to be proud of!

Home Reading Challenge

We have celebrated lots of pupils achieving their bronze award, and even some silver awards within our Home Reading Challenge. Please ensure that you child is reading at home, in order for them to receive the awards in the up and coming weeks.

PE Timetable

Please see below for the days that each year group has PE on. Please ensure that your child comes to school in their school PE Kit on their designated PE day.

Year 1 1L—Thursday 1C—Friday

Year 2—Tuesday

Year 3—Tuesday

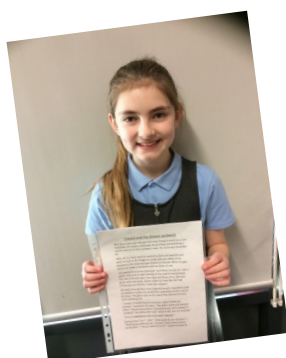

Year 4—Thursday

Year 5—Wednesday

Year 6—Wednesday

Young Author

One of our KS2 pupils has been working hard at home writing her own books. The 'trilogy focus' on the main character, Crystal, as she goes on several adventures.

Year 5 have enjoyed listening to the stories at the end of the school day. Well done!

Attendance
