

ATTENDANCE NEWSLETTER

January 11th 2023

Dear Parent/Carers,

It has been lovely to see everyone back after spending time together over the festive period and already there has been a lot of discussion about what is next for attendance?

We welcome the beginning of a brand new year and look forward to the up and coming events we have planned for attendance.

This half term we have started our launch of the Park Brow 2023 Attendance Campaign....New Year...New start for all pupils!

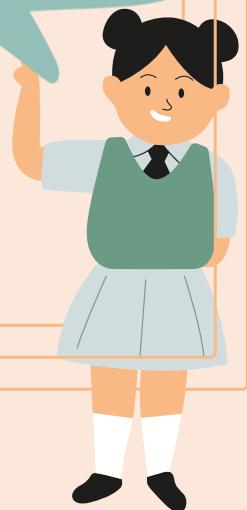

Each Pupil that achieves 97% attendance or above starting from now until the end of this half term will be included in our Park Brow Tea Party. This is an opportunity to celebrate, have some fun and be proud of achieving excellent attendance and what it means to attend school regularly. We hope to see as many pupils as possible included on the day.

Additionally, all pupils that can keep their attendance at 97% or above until the end of term (Easter) will be invited on a school trip to the cinema.

Please support your child with their attendance more than ever so they may be included in these events, we acknowledge for some that this may pose more difficult for a number of reasons, please discuss any concerns you may have about your child achieving 97% or above this half term.

Aim for our school target
97% or
above!

Make this year your best!

Punctuality

This half term we continue to work together with Knowsley Attendance Service to address the issue of Punctuality in our school. We must improve our punctuality for all pupils to improve outcomes, promote good habits and ensure all children reach their true potential.

The most common reason that pupils tell us they are late is due to parents not giving themselves adequate time to prepare for school in the mornings, often rushing to get to school. If you are consistently late for school, by changing habits by 5 or 10 minutes would result in being consistently on time.

Meetings will be arranged with Miss Roberts this half term with those parents that continue to bring their children in late so that we can work together to improve this.

**RISE & SHINE
BE ON TIME!!**

***Make improving
your Attendance
your priority in
2023!***

REMINDER

- Please note – The school day STARTS at 8:50am with pupils practicing English and Maths basic skills, please ensure your child does not miss out!
- Please contact school as early as possible to report your child as absent, any unknown reasons for absence will be unauthorised.
- Routine medical appointments should be made out of school hours as any interruption to your child's school day should be minimised. Please give 48 hours notice and provide letters for appointments.
- Pupils should not be signed out early due to parental work commitments or your own medical appointments –emergencies only.
