Happy - Respect - Pride - Caring - Potential

## Celebration Newsletter

Friday 26th February 2021

Dear parents/carers,

We are thrilled to know that we can open to all pupils as of Monday 8th March. We can't wait to see the pupils and get back into classrooms. Although our return is only one week away, we still expect all pupils to engage with the remote learning activities assigned on Seesaw and Evidence Me. This is to ensure that all pupils are up to date with their year group curriculum and its content.

World Book Day will take place next week on Thursday 4th March. This year the children are invited to dress up in a pair of pyjamas for the day to celebrate World Book Day and take part in lots of exciting reading activities. Those children who are currently attending the Key Worker provision at school, are welcome to come to school in their pyjamas to celebrate the day with the staff! There is no charge for this dressing up day. During the day the children will have the opportunity to take part in lots of activities to encourage the Pleasure of Reading. Check Seesaw for further guidance during the day.

Stay safe,

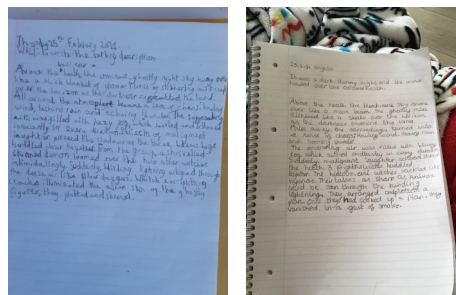

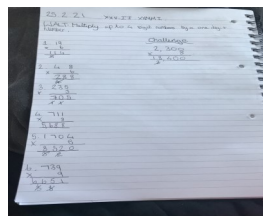

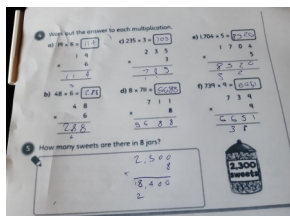

Park Brow Staff

## This week's wonderful work

Year 3 have enjoyed making fruit kebabs this week. They cut the fruits, placed them on a bamboo skewer and drizzled them with blackcurrant sauce. They were then grilled and tasted delicious!

The pupils in year 5 have been working on their multiplication skills using the Power Maths scheme.

Year 5 have been creating some fantastic setting descriptions within their English lessons.

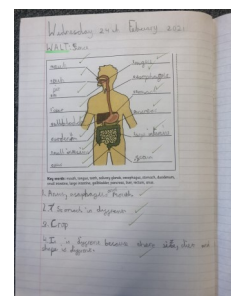

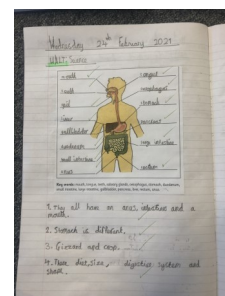

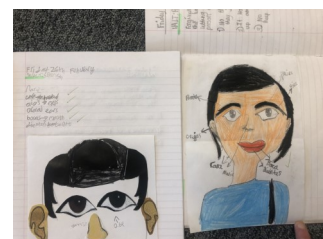

Kapow Drinks sugar content results table

Drink number	Name of the drink	Sugar per can, carton or bottle	Sugar per 100ml	> more than a full drink equal to
1	Fanta fruit mix	96g	4.8g	> more than a full drink
2	Sprite fruit mix	34.2g	2.3g	< less than a full drink
3	Yazoo fruit drink	35.2g	2.6g	< less than a full drink
4	Petite fruit mix	9.9g	0.9g	< less than a full drink

Are you surprised by any of your results? Why?  
Because the milk drink was so high in sugar.

Year 2 have been looking at hidden sugars in drinks for their DT topic.

Year 4 have been learning about the names of facial features in Spanish. They created some fantastic portraits and labelled them.

In Science this week, year 4 have been looking at the human body and naming the body parts.

## ★ Stars Of The Week ★

Class	Name	
RMc	L. Duffy	For brilliant work in school this week and always having a smile for everybody.
RC	N. McQueen	For working really hard every week and producing some brilliant work at home.
1D	S. Atkinson	For putting in so much effort to work independently to complete her work and always doing it with a song to cheer us all up.
1C	L. Clays	For a fantastic effort in everything that he does. Keep it up!
2R	L. Ryan	For fabulous engagement with his remote learning. He has completed every piece of work set for Year 2 so far.
2B	O. Wareing	For working really hard on his home learning. He's been working his socks off!
3O	K. Highton	For a fantastic week in school, working hard in all subjects and making us all smile
3F	A. Rimmer	For a fantastic week in school, great attitude to learning and good effort in all tasks.
4W	J. Odron	She has worked exceptionally hard on multiplying 3 digits by 1 digits and shown real determination and perseverance.
4H	O. Izedonmwun	For showing all of his working out in maths this week. He has tried really hard and Miss Holden is super proud of him.
5P	J. Bond A. Barton	This week she has been working hard in her remote learning and for her great work with Mrs Wollohan. For a fantastic attitude within school this week.
5C	J. Craven	For superb engagement with all of the remote learning tasks. Well done!
6K	K. Parkes	As she's been an absolute star and always goes above and beyond with her work. Her presentation is also outstanding!
6B	E. Wilkinson	For working extremely hard in all lessons and for writing a fantastic speech for the Head Boy election.
