NEWSLETTER - Friday 9th December 2016

Dear Parent/Carer,

The Christmas festivities have started and the children are very excited to see the tree up in the school agora. As always, at this time of year, I have a direct line to Father Christmas! As you can see from the photograph below the children are always delighted when I make that phone call for good behaviour and attitude to work.

Ms V Roberts
Headteacher.

Christmas Card Orders: You may have seen on the news that a Christmas Card company used by schools has recently gone into liquidation. I would like to reassure parents that this is not a company we use. In line with financial regulations we do not pay for goods until we have received and checked the goods.

OUR FIRST NATIVITY

Well done to our Reception and Nursery Pupils, your production was fabulous. Clear voices, lovely dancing and brilliant singing. Fantastic!

Well done to all our Key Stage 1 pupils who entertained us at St Martin's Church. It was lovely to see their wonderful smiles and determination to get the actions right. Fabulous dancing and singing Year 1 and 2. You certainly made us **HAPPY** and **PROUD!**

Year 6 Science Curriculum

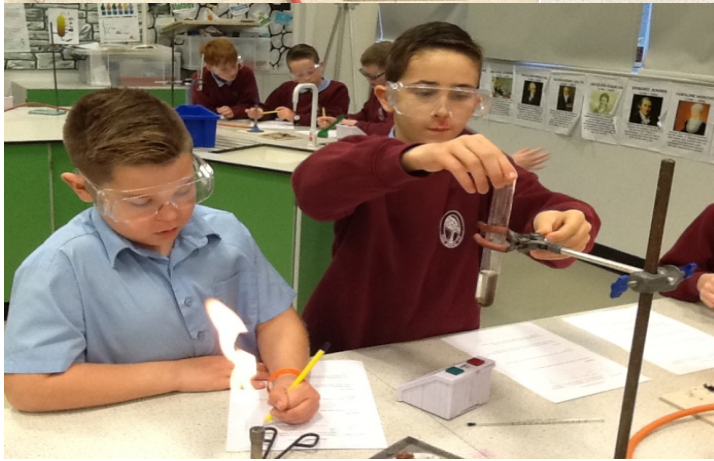

Year 6 have been taking part in Science lessons at the new science block in Kirkby High School. The children explored energy within food. The children burnt a range of foods under a test tube containing water. Chemical energy in the water is transformed to heat energy and the water heated up! The children recorded the temperatures using a thermometer. The hotter the water was, the more energy there was in the food.

REMINDER

Dogs are not allowed anywhere on the school premises.

CCTV is in operation around the school.

YEAR 4 READING CHALLENGE

Year 4 are busy working towards achieving their Bronze certificates for home reading. Well done girls!
