NEWSLETTER - Monday 22nd May 2017

Dear Parent/Carer

It's been a fabulous couple of weeks at Park Brow School. Year 6 have relaxed after their SATs week and have settled back into lessons really well. We are also very proud of our Year 2 pupils who have also completed their SATs tests last week. They have tried their hardest and the staff are very impressed with them.

Congratulations to all our pupils who have celebrated their Holy Communion over the last couple of weeks.

Paul Bradshaw, School Improvement Liverpool gave our year 5 and 6 pupils a very informative talk about Online Safety last week. This was followed by a session for Parents and a Staff Meeting for all Staff. We were very disappointed that only one parent attended this very informative meeting with Paul.

Can I remind you that school closes on **Thursday 25th May** at the normal time of 3:20pm. School opens on **Wednesday 7th June** for the remaining summer term. Year 6 will leave for Kingswood on this day.

Ms V Roberts (Headteacher)

Girls Football Tournament

It was our girls turn to show off their talents on the football pitch. They were incredible, with Ellie scoring an incredible ten goals! The girls won every match and came first overall in the tournament. Brilliant!

Celebrating Talents Beyond School.

What a wide range of talents we have had over the last couple of weeks! Many of our children brought trophies into school to show us how well they had performed in a majorette competition. We have also had lots of football trophies. How fantastic is Maisie's home-made bird box! Well done everyone! We love to see what our children have been getting up to outside of school.

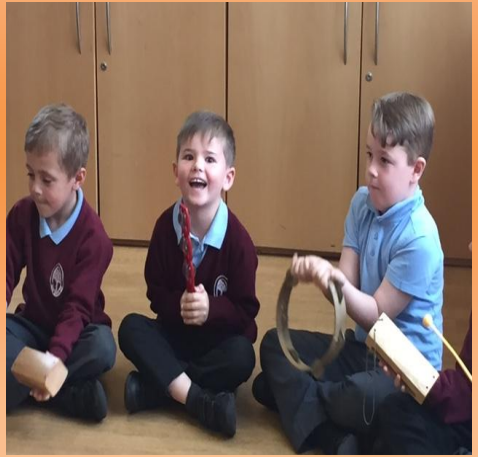

REMINDER: SCHOOL CLOSSES ON THURSDAY 25th MAY AND OPENS ON WEDNESDAY 7th JUNE.

YEAR 6 RESIDENTIAL: 7th JUNE – 9th JUNE.

Key Stage 1 – Music Focus

Year 1 participated in, weekly music lessons this term. This was led by Knowsley Performing Arts. The children created their own music, learnt songs and added their own musical twist to their performances. Year 6 were treated to their very own musical performance which they thoroughly enjoyed.

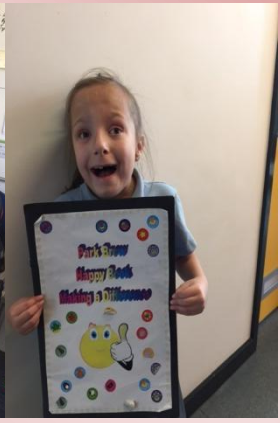

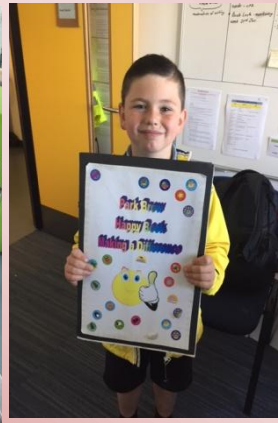

PROBLEM BUSTERS

Miss Casey has been working with a group of Year 6 children to act as peer mentors. These children are present around school and are a support for pupils who may need help with a problem. The pupils know to contact a member of staff for support if required.

WHO HAS BEEN IN OUR HAPPY BOOK?

Congratulations to Ruben for some amazing ideas and vocabulary in English. Well done to Annie for some outstanding Maths work and to Kelsey for a wonderful piece of writing.

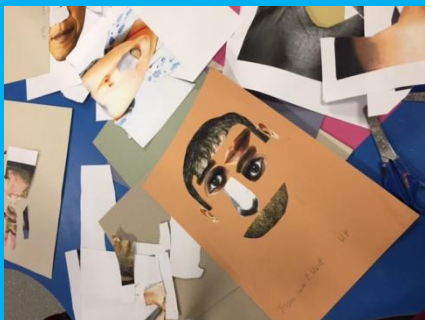

Adios

SPANISH WEEK

Por favor

This week is Spanish Week in school. The children have been put into mixed age groups and are learning all about Spanish culture and some familiar Spanish phrases. Mrs Sinclair was very adventurous and set about making Pinatas with her group!

Buenos días

Gracias
