## ASPIRATIONS WEEK, WHAT AN AMAZING WEEK WE HAD!!

### Firefighter

What a success! We had visitors in throughout the week telling us all about their jobs. We had a visit from Alex who talked to us about his job as a Firefighter, we found this really interesting and some very keen future firefighters were delighted, he even brought in his uniform which lots of children had the chance to try on. It was so heavy!

### Archaeologist

We had a visit from an archaeologist from Liverpool University to talk to children about his career and the evolution of humans. He brought in different skulls to show the children the difference in the size of the skulls and explained how and why they have developed over the ages. He also brought in different weapons and showed the children how these have changed over time. They were even able to take their own replica terracotta weapon home!

### Trauma Nurse

Georgia and Adam Bodell's mum, Michelle, came in and gave Year 5 children a glimpse of life in A&E and they learnt how to apply bandages and also how casts are made! We loved doing this.

### Acting Agent

In addition, we had an acting agent who worked with groups across Y3-6. She brought scripts for children to act out and talked to children about the process of going to castings and life as an actor/actress.

### SERCO

SERCO delivered a fantastic range of workshops for our year 5&6 children about a range of careers. They delivered team building exercises and games that provided the children with 'SERCO dollars' they could spend in the SERCO shop.

# ASPIRATIONS WEEK

## Glass Slipper Performance

We had an exciting visit from Mirabel who gave wonderful Encanto performances to all of our children, lots of children had the opportunity to have their photograph taken with her!

## Balloon Modelling

Babette came in to talk about her job as a children's entertainer and did some very exciting workshops with children showing them balloon modelling, she even made everyone a balloon animal of their own to take home!

## Kirkby High School

Some of our past pupils came along from Kirkby High School to talk to Year 6 children about life at Kirkby High, choosing their options and the opportunities available to them there. We loved seeing how they have matured and were very impressed at how well they are doing!

## Rocksteady Music Assembly

Rocksteady Music Company came in to deliver a wonderful music performance to our children. We loved singing and rocking along to the music, some of our children and staff even had the chance to get involved in the band, on keyboard, electric guitar, bass, drums and even as the lead singers!

### **NSPCC Number Day**

Thank you to all children who took part in our number day fun for NSPCC. We raised a total amount of £153.10

### **Year 1 Knowsley Safari Park**

"Year 1 had a very exciting visit from Knowsley Safari Park who told us all about how animals adapt to the seasons. We got to hold some real camel fur, a horn and a polar bear's claw! We had a brilliant time and can't wait to visit the park later in the year."

### **LFC Academy**

A group of our year 5 and 6 children were invited to attend the LFC Academy to support the u18s players in their education programme. They took part in several multi skilled games led by the players.

### **Online Safety performance & Workshop**

Altru Drama company came in to deliver an excellent performance called 'Back to The App' about the importance of staying safe online. It was very informative as well as entertaining and gave us all lots of hints and tips for protecting ourselves online. Year 5 then took part in a workshop that followed where they came up with their own drama performances highlighting both positive and negative points of each app.

### **PUNCTUALITY MATTERS**

We are seeing a high volume of lateness for Reception, year 1 & 2 recently, this is unnecessarily disturbing teaching time and creating poor habits for your child's future. Please ensure your child is on the playground for 8:50am so that they are ready and prepared for their day. If you need to discuss your child's lateness please contact Miss Casey who will be happy to meet with you.
