

## Newsletter 28.3.24

This term has been filled with lots of enhancement opportunities across the curriculum and there is a real positive buzz around school at the moment.

Our parent reviews took place this half term and they were a huge success—it was a pleasure to see you engage with your child's learning. We are currently analysing the feedback from the parent surveys and will begin actioning the outcomes in summer term.

School reopens on Monday 15th April. As we move into summer term, we continue to ensure our school goes from strength to strength.

Have a restful Easter break.

Miss Swinburn & Miss Connell

## Dojo Challenges

The half term we have had a sharp focus on movement around the building, manners and lining up. These have been set as challenges alongside our reward system—Dojos. The pupils have worked tirelessly to showcase the expected behaviours and are enjoying being recognised and receiving extra dojos. We are sure that you are impressed when the children come home with lots of extra stickers each day! After half term, we will continue with our behaviour challenges.

For those pupils who have received the most dojos in each class, a special treat is planned to end the term. This term, those pupils who had the most dojos in each enjoyed an ice cream afternoon on Wednesday. It was an enjoyable afternoon for

all involved.

## Gardening Club

Miss Holmes and Miss Brown, our parent helper, have established our gardening club this half term. The pupils are thoroughly enjoying preparing the planters on the main yard and outside KS1. The club have started sowing and planting a range of plants.

**We are extremely grateful for Whitakers Garden Centre in Prescot for donating so many plants to the club.**

A small group of children went out on the mini bus to the town centre this week to revamp our very own school planter. You can find our planter in the town centre outside of Billy Wizz and Bet Fred, and I am sure you will agree, the children have done a fantastic job!

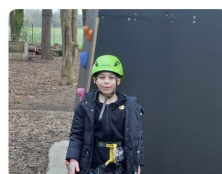

## CHET

Year 5 had such a fantastic time on their residential trip to CHET last week. It was a fun-filled trip and allowed the pupils to participate in a range of new, exciting activities including archery, abseiling, obstacle courses and more. The pupils developed resilience, independence and allowed themselves to take risks and try new things when out on the activity course.

We were so proud of how the children represented Park Brow during their time at CHET.

A HUGE thank you to all of our staff that attended CHET and made the trip so enjoyable and memorable.

## Easter Events

We have been blown away by the engagement and efforts from our families this week!

We started the week with an Easter Breakfast for KS1 families and we were overwhelmed with the participation and attendance. Families came and enjoyed a hot drink and pastry whilst creating some lovely Easter decorations and cards with the children. We felt this event was a huge success and we can't wait to begin planning some more craft events for summer term.

On Thursday we hosted our Easter bonnet parade and competition — we were delighted with the efforts that everyone had put into their bonnet and the amount of pupils that entered. Our Chair of Governors, Mrs Truesdale, helped judge the hundreds of entries and winners were delighted with their certificate and Easter egg prize.

Well done to all who took part in the Easter bonnet parade and competition—we absolutely loved seeing your wonderful, unique creations!
