

Curriculum Newsletter— 8.3.24

We have had another busy week with lots of exciting activities! Hopefully you have seen our Instagram page and enjoyed the numerous pictures and videos that have showcased this week's fun.

This week, along with Miss Holden, we have both spent some times in classrooms and participating in Maths lessons across the school. We have been really impressed with the progress pupils are making within the Maths curriculum and the resilience pupils are displaying when faced with tricky questions.

On Thursday 14th March, we will hold our second review day of the year. On this day, the school day will end at 1:45pm to allow appointments to begin at 2pm. Please ensure you collect your child at 1:45pm. No pupils will be allowed to walk home alone at this time. All parents/carers should have booked an appointment with their child/ren's class teacher via the school app. If you have not yet done so, please log into you app account. If you have trouble with accessing the app, please contact the school office.

We hope you have an enjoyable weekend.

Miss Swinburn & Miss Connell

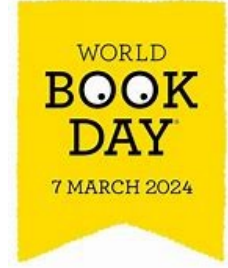

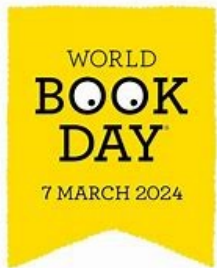

Biggest Ever Girls Football Session

On Friday we held a range of football activities for all of the girls in school in order to take part in the Barclays Football campaign #LETGIRLSPLAY. Mr Myers and Mr Fitzgerald, along with Mrs McLoughlin set up a super enjoyable day to support the campaign including matches and skill development.

#LETGIRLSPLAY.

World Book Day

WOW, what a wonderful day we had on Friday! The pupils—and staff- looked superb in their costumes and had such a fun day in school. EYFS and KS1 enjoyed an author visit in the morning. The pupils had stories read to them and took part in an interactive discussion. It was great to see how engaged and excited they were during the visit.

In the afternoon we enjoyed a whole school parade around the building. All pupils had an opportunity to see each others costumes and had a dance to some music with the staff too. There was a fantastic atmosphere around school and such a great way to end the day. Thank you to all our families for putting so much effort into costumes —everyone looked great! If you have not yet followed our Instagram page, please do so to see some fantastic videos of the day.

First Aid & CPR

Year 5 have been learning about first aid and delivering CPR with Mr Beckwith during their PSHE lessons. They have participated with great maturity and worked together to support each other when carrying out CPR on the Resusci Anne Dolls.

Well done, year 5! What a great enhancement to the curriculum!

MyHappyMind Parent Workshop

On Tuesday, Mrs Forsyth and Mrs Ballinger hosted a MyHappyMind workshop for parents after school. We had group of parents attend and gain information regarding the programme, it's impact within school and its parent app. If you wish to gain any more information regarding MyHappyMind please contact Mrs Forsyth.

Food Bank

Last week, we received a huge amount of donations for the Southdene Foodbank. Thank you to all our families who donated—we know that the donations will make a huge difference to families within our community.
