

Newsletter 3.5.24

It has been wonderful to welcome our families back into school this week. We hope that all members of our community managed to find some time to relax and unwind during the Easter break.

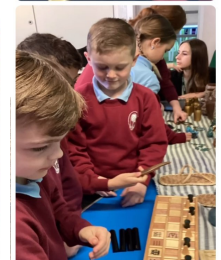

We have been delighted to announce that Miss Swinburn has been appointed as our new Head Teacher, and we are sure you are too!

Thank you for your donations today. All future fundraiser activities that are going towards school funds will support our #projectplayground development. More information about this will follow in the coming weeks.

Ancient Greece Workshop

Year 3 had a fantastic day last week to start their Egyptians topic! It was a fun filled, immersive experience where they got the chance to handle artefacts, ask questions to an expert and try their hand at archery!

Gardening Club

Gardening Club are thoroughly enjoying their weekly meeting. This week, their lettuce leaves have had a huge growth spurt. The pupils cut and gathered the leaves in order for staff and parents/carers to take home to enjoy.

Multiplication Check Coffee Morning

We were thrilled to have our year 4 parents participate in the multiplication check workshop. Parents and carers joined their child/ren and enjoyed a morning practicing timetables and gaining strategies to support their children. In June, year 4 pupils undergo the statutory multiplication check and we know they will all do amazingly well. As always, we are so proud of our pupils!
